**Item 1.02 Termination of a Material Definitive Agreement.**

On January 15, 2010, we entered into a termination of services agreement, or the Termination Agreement, with American Realty Capital II, LLC, or ARC II. ARC II is an affiliate of Realty Capital Securities, LLC, the dealer manager for our initial offering. The Termination Agreement terminated the services agreement we entered into with ARC II on April 3, 2009, as amended, or the Services Agreement. We entered into the Services Agreement in connection with our transition to self-management and during the term of the Service Agreement, ARC II was to make available to us on an ongoing and as needed basis, general consulting services and backup support services described in the Services Agreement. Subject to certain stockholder return thresholds being met, the Services Agreement would have entitled ARC II to receive a subordinated incentive payment as consideration for providing the consulting services and for making available the backup support services to us. The Services Agreement was amended on two separate occasions to delay the effective date of the agreement and never became effective.

We have completed our transition to self-management and no longer need ARC II to provide to us the services described in the Services Agreement. As a result, we terminated the Services Agreement with ARC II pursuant to the Termination Agreement.

The material terms of the Termination Agreement are qualified in their entirety by the terms of the Termination of Services Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference.
